REPORT / 76% OF PROFESSIONALS IN DIASPORA WANT TO CONTRIBUTE TO MOTHERLAND

“Germin” organization has published a survey on professional engagement in countries of origin conducted with about 921 experts from the Diaspora. The publication was presented in an online meeting attended by the Minister of State for Diaspora Mr. Pandeli Majko. Strengthening of Diaspora groups and organizations is a significant factor that affects the Diaspora’s commitment to a more intensive and structured engagement in the countries of origin, also through the development of a multi-functional platform that links the profiles of Diaspora’s professionals in the public and private sector in countries of origin. This platform currently works and can be found online as Diaspora Professionals Network.
