

ALBANIAN DIASPORA BUSINESS CHAMBER

MEETING WITH THE “TOURISM SECTOR”

Tourism is one of the main sectors in the country, which provides economic growth for many market actors and generates substantial amounts of revenue into the state's, the entrepreneur's and the family's budget. Albanian Diaspora Business Chamber held a meeting with the “Tourism Sector”, as part of the cooperation and promotion of opportunities for local businesses and partnerships with Diaspora. Various representatives from the tourism sector in Albania attended the meeting. They discussed about the possible potentials on tourism, areas of interest, capacities, security conditions, etc. The meeting took place at the Albanian Diaspora Business Chamber premises, Sky Tower, in an open schedule and in compliance with the **COVID-19** protocols.
