

ALBANIAN DIASPORA BUSINESS CHAMBER

INVESTING AS AN ALBANIAN IN THE NETHERLANDS / ALBANIAN DIASPORABUSINESS CHAMBER WEBINAR WITH ENTREPRENEURS

"Albanian Diaspora Business Chamber" in cooperation with the "Union of Young Entrepreneurs of Albania", organized a webinar on "How to do business as an Albanian in the Netherlands." The purpose of this training is to provide basic concepts on cost analysis for business expansion at the international level, broadening the vision of doing business and adapting to the international market. The activity started with the Netherlands, but will continue with some countries such as Italy, Greece, Switzerland, etc.

FORECAST OF THE VIENNA INSTITUTE FOR ECONOMICS

According to new forecasts recently released by the Vienna Institute for International Economic Studies, the recovery of Eastern European economies, including Albania, will be slow and will depend on success in pandemic management. In the new forecasts, the Vienna Institute reports that the Albanian economy will decline by 6.4 percent from -5 percent in May 2020, while it has increased expectations for the performance of the economy in 2021 by 0.8 percentage points. According to Vienna experts, the country's economy will grow by 4.6 percent next year.

CHAMBERS OF COMMERCE AGAINST TOTAL CLOSURE: BUSINESS IS ENDANGERED

Total closure by the COVID-19 pandemic is being considered dangerous for job loss and business bankruptcy, thus sending the country towards collapse. The President of the Kosovo Chamber of Commerce, Mr. Berat Rukiqi, said that if the measures of total closure are implemented, the financial stability of the country in terms of budget is endangered. While, the President of the American Chamber of Commerce of Kosovo, Mr. Arian Zeka, stressed that the quarantine of Pristina would turn the country into a situation of declining economic activity, adding that it risks a large number of companies towards bankruptcy.
